

Experiencing God with Us

Read: Psalm 9

In the midst of a suffering and struggle, the writer of this Psalm was still able to praise God. Even in hard situations, God is good and we get to tell Him that!

Discuss and Do:

- What verse from the passage do you want to remember? Write it down!
- Discuss a reason to praise God that is listed in Psalm 9.
- Read verse 11. Talk with your family about some of the good things God has done for you! Spend a few minutes praising God for what He has done!
- Draw something from this passage that you think is important.

Write Your Own Song of Praise: Write the following words on a piece of paper and fill in the blanks

God is _____ (one syllable)
God is _____ (one syllable)
God is _____ (three syllables)

Here's an example:

God is good.
God is love
God is with me now!

Remember this week: When life seems big and hard, we have a God who loves us and is with us. Everything that God does shows us who He is! Praise Him!
